

MEETING PACKAGES

Meetings, training courses and conferences – the conference center at Hotel Kong Arthur has room for it all. We are located in Copenhagen city right in the middle of a quiet green courtyard, featuring 70 parking spaces next door. Our meeting packages are all-inclusive, and naturally you can extend a day meeting to 24 hours, and combine it with an overnight stay. We will take good care of you during the day and serve small refreshments, of which we ourselves prepare most from scratch, to ensure good and organic ingredients. For more information ask our meeting planner on T: +45 3345 7711
